BOARD OF PUBLIC WORKS OF THE
CITY OF FORT WAYNE, INDIANA
DECLARATORY RESOLUTION NO. 1438-80

WHEREAS, on the 30th day of April, 1980, SAINT JOSEPH'S HOSPITAL OF FORT WAYNE, INDIANA, filed with this Board their written petition for permission to construct, install, occupy and maintain across Berry Street between Broadway and VanBuren Street in the City of Fort Wayne, Indiana, one (1) overhead walkway (hereinafter the structure) connecting the present ^{mevc} 9 story building of Saint Joseph's Hospital of Fort Wayne, Indiana located on the north side of Berry Street and a proposed new 3 story medical building to be constructed by Saint Joseph's Hospital of Fort Wayne, Indiana on the south side thereof, in accordance with set of plans attached hereto as Exhibit "A", by Rees Associates, Inc., Architects and Engineers, (hereinafter the Plan) and by reference incorporated herein and made a part hereof; and

WHEREAS, this Board of Public Works of the City of Fort Wayne now finds and determines:

1. That SAINT JOSEPH'S HOSPITAL OF FORT WAYNE, INDIANA are the sole owners of all real estate abutting on both sides of Berry Street between Broadway and VanBuren Street to wit:

North side of Berry Street

Lots numbered 53 to 57 and vacated street in Rockhills amended Addition to the City of Fort Wayne.

South side of Berry Street

Lots numbered 84 - 89 in Rockhills Amended Addition to the City of Fort Wayne.

2. That said structure will connect the present building of Saint Joseph's Hospital of Fort Wayne, Indiana on the north side of Berry Street and the new proposed medical building of Saint Joseph's Hospital of Fort Wayne, Indiana on the south side of Berry Street; that the center line of said structure will be approximately 93 feet west from the Northwest corner of the intersection of Berry Street and Broadway along the north line of said Berry Street and approximately 207 feet west from the southeast corner of the intersection of Berry and VanBuren Street along the south side of Berry Street; that the structure will have an overall width of approximately 9 feet from the north line of Berry Street to the south line of Berry Street; that the said structure will have a minimum clearance above the crown of the pavement of Berry Street of at least sixteen (16) feet measured in a perpendicular line.

3. That the structure would not be detrimental or inconsistent with the free use of the easement of the public on Berry Street or be otherwise detrimental to or inconsistent with the free use of the easement of the public in Berry Street or the proper highway purposes thereof.
4. That the structure would be beneficial to the public and contribute to the public safety of the City of Fort Wayne.
5. That the structure would relieve congestion and traffic on Berry Street that would necessarily result from the movement of employees, visitors, etc. across the surface of Berry Street from one building to another.

NOW THEREFORE, pursuant to the power and authority granted it by the provisions of Chapter 168, Acts of 1927 Section 1 of the General Assembly of the State of Indiana as amended by Chapter 10, Section 1 of the Acts of 1967 of the General Assembly of the State of Indiana; BE AND IT IS HEREBY RESOLVED by the BOARD OF WORKS OF THE CITY OF FORT WAYNE, INDIANA;

1. That it hereby grants to SAINT JOSEPH'S HOSPITAL OF FORT WAYNE, INDIANA permission to construct, install, occupy and maintain across Berry Street, between Broadway and VanBuren Streets in the City of Fort Wayne, for a period to continue so long as the hereinabove mentioned buildings or any additions thereto shall stand and said structure continue to exist, that certain overhead structure designated and described in the Plan herein referred to; subject, however, to the obligation of Saint Joseph's Hospital of Fort Wayne, Indiana to pay all the costs of construction, installation and maintenance of said structure, including repairs to the street and sidewalks below occasioned by the construction and installation of said structures, to protect the public from harm during the construction thereof; to hold the City of Fort Wayne, Indiana harmless from any claims of loss or damage to persons or property caused by such construction and the maintenance and existence of said structure and, to maintain said structure at all times in a safe condition at their expense.
2. That the real estate which may be injuriously or beneficially affected by said structure are:

North side of Berry Street

Lots numbered 53 to 57 Rockhill Amended addition to the City of Fort Wayne.

South side of Berry Street

Lots numbered 84-89 Rockhill Amended addition to the City of Fort Wayne.

all owned by Saint Joseph's Hospital of Fort Wayne, Indiana.

3. That a public hearing be held on the 22nd day of May, 1980 at 3:30 pm o'clock at the offices of the Board at which this Board will hear and receive remonstrances from persons interested in or affected by these proceedings, after which this Board will take final action confirming, modifying or rescinding this resolution, which action shall be final and conclusive on all persons.
4. That there be published in the News-Sentinel, a newspaper of general circulation published in the City of Fort Wayne, Indiana, once a week for two consecutive weeks the 2nd of which shall be upon a date not less than ten (10) days prior to the date of the public hearing set in paragraph 3 above due notice of the adoption of this resolution, stating the time, place and date of said public hearing, that at said public hearing this Board will hear and receive remonstrances from persons interested in or affected by these proceedings, and that after which this Board will confirm, modify or rescind this resolution, and
5. That in the event this Resolution be so confirmed, the permission hereby granted to construct and maintain said overhead structure shall be noncancellable so long as the hereinabove mentioned buildings or any additions thereto shall stand and as long as said structure shall continue to exist.

Date entered this 30th day of April, 1980.

BO. 29-50 69-15-21 / 4/23/80

PETITION TO CONSTRUCT AND MAINTAIN
AN OVERHEAD STRUCTURE

TO: THE BOARD OF PUBLIC WORKS
CITY OF FORT WAYNE, INDIANA

The undersigned Petitioner does hereby respectfully petition the Board of Public Works of the City of Fort Wayne, Indiana for permission to construct, install, occupy, use and maintain for a period to continue so long as the hereinafter described Medical Office Building and Hospital shall stand an Overhead Walkway (hereafter referred to as the "Structure") connecting the real estate and buildings thereon on both sides of that part of West Berry Street within the City of Fort Wayne, Allen County, Indiana, to-wit:

That part of West Berry Street and the public easement therein running in an easterly-westerly direction between Broadway Street and Van Buren Street in the City of Fort Wayne, Indiana, and bounded on the east by the west terminus of Broadway Street and bounded on the west by the east terminus of Van Buren Street,

subject only to the easement of the public therein and for proper highway purposes.

PETITIONER REPRESENTS:

(1) That petitioner, St. Joseph's Hospital of Fort Wayne Inc. is the owner of all the real estate immediately abutting on the south side of Berry Street described above and abutting on the north side of Berry Street described above.

This petitioner presently occupies a seven (7) story hospital building on the north side of Berry Street and has entered into a long term Ground Lease upon which is being constructed a three (3) story Medical Office Building on the south side of Berry Street described above.

(2) That the structure would not be detrimental or inconsistent with the free use of the easement of the public in that part of the street described above.

(3) That the structure would be beneficial to the public and contribute to the public safety of the City of Fort Wayne, Indiana.

(4) The structure would relieve congestion on Berry Street.

(5) That no part of the structure shall be constructed below sixteen (16) feet above the surface of Berry Street measured in perpendicular lines from the surface of Berry Street.

(6) That plans and specifications showing the exact location of said structure and building materials to be used will be submitted to the Board of Public Works of the City of Fort Wayne, Indiana for approval prior to the construction and installation of said structure.

(7) That petitioner will pay or cause to be paid all costs of construction, installation and maintenance of said structure and appurtenances thereto. Petitioner also hereby agrees to save the City of Fort Wayne harmless against any loss and damage to persons or property occasioned by said construction and installation except for acts of the City of Fort Wayne or its officers or employees.

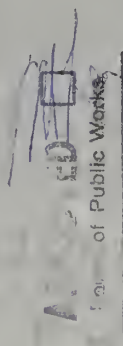

(8) Petitioner will pay all cost of maintenance and repair of said structure and appurtenances thereto after construction and installation.

Petitioner files this petition pursuant to authority granted under the law of the State of Indiana(IC 18-5-20-1), in order to secure permission to construct and maintain said Overhead Walkway across that portion of West Berry Street described above.

WHEREFORE, your petitioner prays that permission be granted to construct said structure according to the provisions of Indiana Law pertaining thereto.

Street Engineering has prepared a Declaratory Resolution for the Board of Works to handle Public Hearing concerning St. Joseph Hospital's request to install an overhead walkway across Berry Street.

This is the same procedure followed when The Lincoln Life's overhead walkway over Calhoun Street was installed and Street Engineering feels it is the best procedure available.

Lots numbered 84-89 in Rockhills Amended Addition to the City of Fort Wayne

2. That said structure will connect the present building of Saint Joseph's Hospital of Fort Wayne, Indiana on the north side of Berry Street and the new proposed medical building of Saint Joseph's Hospital of Fort Wayne, Indiana on the south side of Berry Street; that the center line of said structure will be approximately 93 feet west from the northwest corner of the intersection of Berry Street and Broadway along the north line of said Berry Street and approximately 207 feet west from the southeast corner of the intersection of Berry and VanBuren Street along the south side of Berry Street; that the structure will have an overall width of approximately 9 feet from the north line of Berry Street to the south line of Berry Street; that the said structure will have a minimum clearance above the crown of the pavement of Berry Street of at least sixteen (16) feet measured in a perpendicular line.

3. That the structure would not be detrimental or inconsistent with the free use of the easement of the public on Berry Street or be otherwise detrimental to or inconsistent with the free use of the easement of the public in Berry Street or the proper highway purposes thereof.

4. That the structure would be beneficial to the public and contribute to the public safety of the City of Fort Wayne.

5. That the structure would relieve congestion and traffic on Berry Street that would necessarily result from the movement of employees, visitors, etc. across the surface of Berry Street from one building to another.

All according to the provisions of Chapter 168, Acts of 1927, Section 1 of the General Assembly of the State of Indiana as amended by Chapter 10, Section 1 of the Acts of 1967 of the General Assembly of the State of Indiana.

All as shown by a plan of such proposed overhead walkway structure as above described, now on file in the Office of the Department of Public Works of the City of Fort Wayne, Indiana:

The cost of said overhead walk-

way structure shall be assessed against the property beneficially affected thereby.

The Board of Public Works has fixed Thursday, May 22, 1980 as the date on which remonstrances will be heard and considered from persons interested therein or affected thereby and on said day at 3:30 p.m., the Board will meet at its office, Room 910, City-County Building for the purpose of taking final action thereon.
